Bill Highlights

Other "non-energy" charges were \$0.28 lower in this bill compared to the previous bill.

How does my home use energy?

Electricity

This graph cannot be displayed because there was no fuel use on this bill.

This Energy Use Preview shows you an estimate of where the energy is used in your home. For your complete Personalized Energy Report (PER), go to the [Personalized Report page](#). For analysis go to the [Home Energy Center](#).

Rethink. Recycle. Reward!

Earn \$30 for your fridge or freezer save \$150 a year energy costs.
